

Monument (MON1010)

1010L Manhole Keys 125mm (5in) (Pack 2)

The Monument 1010 are manufactured from a single piece of malleable iron for greater durability and strength, with a tee handle for greater torque and added leverage, and a D-shaped end that fits snug in to most manhole covers for easy and secured lifting. Designed to make the removal of manhole covers an easier operation. Made with a 100mm (4in) handle and a 125mm (5in) shaft. Pack Quantity: 2
