

Red Gorilla (GORSHOVELYEL)

Gorilla Shovel™Yellow

The Red Gorilla one-piece plastic Gorilla Shovel is made from very thick, high-quality polypropylene that is UV and frost-resistant. As such, it will not rust and is non-sparking. Designed for builders, it can withstand any task in any weather. Lightweight yet strong, it is perfect to use for debris, rubble and sand. The weather-resistant properties also make it ideal for farm, agricultural, equine and garden use as well as a snow shovel. Length: 101cm Blade Width: 31cm Weight: 1.2kg 1 x Red Gorilla One-Piece Gorilla Shovel Yellow
