

# Gorilla Glue (GRGGGCL110)

## Gorilla Glue Clear 110ml

Clear Gorilla Glue is a non foaming flexible fast setting crystal clear contact adhesive. It creates a strong permanent bond but also offers an extended working time giving time to reposition work if required. Can be painted with oil based and spray acrylic. Stainable but will require sanding. Water resistant can withstand intermittent exposures making it great for projects both inside and out. Bonds wood stone metal ceramic foam glass etc. 1 x Gorilla Glue Clear 110ml
