

VJT SDS Plus Steel Point

Product Code: 50500390

Product Overview

The VJT SDS Plus Point Chisel is designed for chiseling and demolition work in concrete, brick, and stone. Its pointed tip allows for precise breaking and penetration, making it ideal for both demolition and controlled masonry applications. Manufactured from 42CrMo steel with special hardening, it ensures durability and long service life.

Key Features

- Suitable for concrete, brick, and stone applications
- Pointed design for focused impact and precision work
- Resharpenable working end
- Connection end: SDS Plus

Product Code & Size Table

Product Code	Product Description	Head Type	Shaft Shape, Size	Overall Length (mm)
50500390	VJT SDS Plus Steel Point 250mm	Steel Point	Cylinder 14mm	250
