

VJT SDS Plus Steel Spade Chisel

Product Code: 50500410

Product Overview

The VJT SDS Plus Spade Chisel is designed for efficient material removal in concrete, brick, and stone. Engineered for durability and performance, it is suitable for both large-scale demolition and precise chiseling applications. Manufactured from 42CrMo steel with special hardening, it delivers long service life and reliable performance.

Key Features

- Suitable for concrete, brick, and stone applications
- Spade design for fast material removal
- Resharpenable cutting edge
- Connection end: SDS Plus
