

1920 - Acetoxy Cure Silicones

Low modulus general purpose silicone, with fungicide. VJT LMA is suitable for general construction joints, sanitary applications, glazing applications (avoid contact with the primary seals and PVB film of security glass) and the sealing of air conditioning ducts.

VJT LMA

VJT Code	Description	Size (ml)	Pack Qty
19200240	VJT Silicone LMA Clear	300	15
19200250	VJT Silicone LMA White	300	15

General purpose silicone, with fungicide, AC is suitable for general construction joints, sanitary applications, glazing applications (avoid contact with the primary seals and PVB film of security glass) and the sealing of air conditioning ducts.

Silirub AC Universal Silicone

VJT Code	Description	Size (ml)	Pack Qty
19200010	Silicone Universal Clear	310	15
19200020	Silicone Universal White	310	15
19200030	Silicone Universal Black	310	15
19200040	Silicone Universal Brown	310	15

1920 - Neutral Cure Silicones

Virtually odourless, these low modulus neutral cure silicones offer excellent primerless adhesion to most building materials.

Silirub LMN

VJT Code	Description	Size (ml)	Pack Qty
19200060	Silicone Low Mod Neutral Clear	310	15
19200070	Silicone Low Mod Neutral White	310	15
19200100	Silicone Low Mod Neutral Grey	310	15
19200130	Silicone Low Mod Neutral Black	310	15
19200160	Silicone Low Mod Neutral Brown	310	15

Silirub 2

VJT Code	Description	Size (ml)	Pack Qty
19200080	Silicone Low Mod Neutral Portland	310	15
19200090	Silicone Low Mod Neutral Stone	310	15
19200110	Silicone Low Mod Neutral Dark Grey	310	15
19200120	Silicone Low Mod Neutral Silver Grey	310	15
19200140	Silicone Low Mod Neutral Beige	310	15
19200150	Silicone Low Mod Neutral Buff	310	15
19200170	Silicone Low Mod Neutral Rustic Red	310	15

Non Staining, low modulus and virtually odourless Silirub MA contains a powerful fungicide making it suitable for kitchens and bathrooms and areas of high humidity. Non staining on porous stones and marble makes it suitable for sealing natural stone cladding and facades

Silirub MA

VJT Code	Description	Size (ml)	Pack Qty
19200180	Silicone MA Neutral Clear	310	15
19200200	Silicone MA Neutral Grey	310	15
19200210	Silicone MA Neutral Black	310	15
19200230	Silicone MA Neutral Travertine	310	15
19200260	Silicone Remover	150	1
