

**TECHNICAL DATA SHEET**

**Matrix P Grip Gloves**

We confirm our range of Matrix P Grip Gloves have the following characteristics & specification:

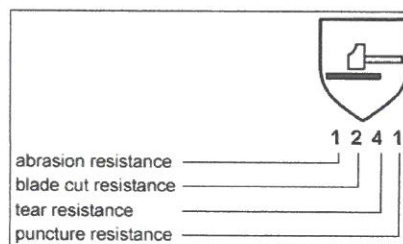

- Abrasion and tear resistant, with a secure grip
- Ultra light seamless knitted liner. Lint free.
- Actifresh treated to kill bacteria and promote freshness
- Palm Polyurethane (Nitrile) Coated (black).
- Elasticated wrist - coloured to denote size.
- CE certified & marked.
- To EN420 (general requirements) & EN388 (mechanical testing)
- EN388 Test Result: 4131
- Screen print on back of glove: [cust. logo "VJT" + CE approval + Size + EN 388 data](#)

Category 2 - Intermediate Design Risks will have been tested for protection against Abrasion, Blade Cut, Tear and Puncture Resistance. Performance ratings are shown beneath the pictogram.

4 = Abrasion	1-4
1 = Blade Cut	1-5
4 = Tear	1-4
2 = Puncture	1-4

Where 1 is the lowest standard  
X denotes a test not appropriate to the type of glove,  
as per puncture test with a knitted glove.

**This data sheet is valid until there is significant change in the product and characteristics.**
