

## DATA SHEET

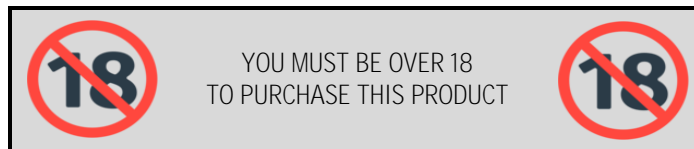

### VJT PREMIUM LINE MARKING PAINT (AEROSOL), 750ml

VJT Premium Line Marker is a lead free, resin based permanent line marking paint in a large 750ml can. It may be used on a variety of surfaces including asphalt, steel, concrete, both indoors and out. Car parks, sports areas, warehouses and roads can be brought to order using these paints producing a hard-wearing, weatherproof and highly visible line.

Touch dry in 30 minutes and fully cured in 24hrs, VJT Premium Line Marker can be fitted to a trolley or handheld applicator for increased accuracy during use.

#### VJT PREMIUM LINE MARKING PAINT FEATURES

- Hard-Wearing
- Fast Drying
- Excellent UV stability
- Non-clogging
- CFC Free
- Lead free, Non-Chlorinated solvents

#### DIRECTIONS:

1. Ensure surface is clean and dry
2. Shake can vigorously for 1-2 minutes after ball rattling.
3. Invert the can and spray downwards 50-75mm from the surface. The closer the aerosol is to the surface being marked, the narrower and more accurate the lines. Use masking tape as required to increase line accuracy and sharpness. The speed of movement controls the density of the marked line.
4. Important! After use, turn can upright and face away from user, then spray for a few seconds to clear the nozzle.

#### CAUTION:

- Pressurised container. Only use as directed.
- Protect from sunlight and do not expose to temperatures exceeding 50°C.
- Do not pierce or burn even after use.
- Do not spray onto a naked flame or any incandescent material.

#### HEALTH & SAFETY:

- Extremely flammable
- Irritating to eyes
- Repeated exposure may cause skin dryness or cracking
- Vapour may cause drowsiness and dizziness
- **Keep away from sources of ignition - No smoking**
- Do not breathe vapour/spray
- Avoid contact with eyes
- In case of contact with eyes, rinse immediately with plenty of water and seek medical advice
- Wear suitable gloves during use
- Use only in well ventilated areas
- Keep out of reach of Children
